CHC33015
CERTIFICATE III IN INDIVIDUAL SUPPORT (AGEING)

CRICOS COURSE CODE: 090799K
CHC33015
CERTIFICATE III IN INDIVIDUAL SUPPORT (AGEING)

This nationally recognised qualification can prepare you for an exciting career working with elderly people in a variety of environments.

Contributing significantly to the nation’s economy and welfare, “Community Services and Health is Australia’s largest industry grouping, employing 9% of the workforce.” (ABS 2012a)

With Australia having an ageing population, demand for workers in this field will continue to grow.

4Life delivery combines both classroom-based theory study with practical training in a simulation lab where industry specific skills are taught and developed before undertaking a compulsory vocational work placement in an aged care facility, respite care or hostel environment.

With this qualification you will be able to:

› Carry out activities to maintain personal care, assisting the elderly person with activities of daily living.
› Ensure activities and services relate to their individualised plan.
› Support individual health and emotional wellbeing.
› Assist clients with dementia and palliative care.

Is the career path right for you?

If you are compassionate with a genuine desire to support the elderly, have motivation and enthusiasm with the ability to connect with people, then this is the right career path for you.

**Work Placement**

This qualification has a mandatory 120 hours of work placement.

Work placement shifts usually begin 6.30am and finish at 3.00pm.

4Life will arrange and coordinate your work placement. However, many students prefer to find their own work placement and 4Life will support students who nominate this as their preference.

Workplace assessment involves evaluation of the performance of the student, over a range of practical skills, under actual workplace conditions and over several occasions. Learners will be well prepared for their placement as they will have practiced these skills under the supervision of their 4Life trainer in the 4Life simulation lab before commencing their vocational work placement.

Learners currently employed in an appropriate aged care workplace may complete their assessment requirements within their own workplace and may not need to find a host employer.

Workplace assessments consist of three individual parts:

a) Logbook, which requires the learner to document the hours worked including a range of practical tasks observed by their work buddy or supervisor.

b) Observation by their trainer while the learner carries out a variety of tasks while working with their residents and/or other team members.

c) Related written assessment tasks that vary from reflection to writing case notes and understanding the organisation’s policies, procedures and operations.

Please note work placement is not paid work.

**Insurance**

4Life College provides insurance cover for the compulsory work placement and will provide an insurance certificate to your host employer.

**Additional Requirements**

**National Criminal Record Check**

Prior to commencing work placement, students will be required to undertake a Criminal Record Check (CRC) to obtain a National Police Certificate. Learners need to apply at least 6 weeks prior to undertaking work placement.

Please note that the above costs are the responsibility of the student and not included in course fees.

**Uniform:** 4Life College provides learners on work placement with two (2) polo shirts.

Whilst on work placement learners are required to wear navy or black slacks/trousers/skirt and enclosed flat soled shoes (not sports runners). These costs are the reasonability of the learner.
